FACT SHEET: FRESH CUBE - Air freshener

With our **FRESH CUBE** you get a **4 in 1 multifunctional device** in your house, with which your indoor air can be humidified**, cleaned and cooled.** For cleaning, a **filter made of artificial deer leather** is used, which is considerably longer durable, achieves a higher humidification performance and refreshes your room air more effectively than conventional filters.

The mobile air freshener has a **0.4 l water tank, 3 speed levels** and a **relaxing LED lighting** with **7 different colors.**

Artificial deer leather filter

Removable water tank
