FACT SHEET: NOBLADE 2.0 - Tower fan

The elegant **NOBLADE** with its practical design fits into every room. The device **does not require any ventilation blades** and thus provides - quietly and safely - fresh air at your workplace or in your living room. Thanks to the **handy touch control**, the fan can be regulated **in 9 ventilation levels**.

Thanks to the **horizontal oscillation**, the fan distributes the fresh air optimally. In addition, the device has a remote control, which has a holder directly on the device.

Holder for Remote control

TECHNICAL DETAILS
