TOWER LCD

CERAMIC HEATING

With its elegant design and handy as well as practical handling, the **TOWER LCD** is ideal for any room that needs to be heated for a short time. It can be easily transported with the integrated handle. Highest safety due to **overheating protection** and tilt protection. Thanks to the **thermostat**, the ideal temperature is easily and precisely reached and maintained. The dust filter is removable, can be cleaned and reused. Enjoy instant heat! The **TOWER LCD** is an express heater. This means that the heating column distributes and maintains cosy warmth within a few seconds of being switched on.
