FACT SHEET : WENDY - Heating blanket

Relaxing and healthy sleep makes it easier to start the day. The **WENDY underblanket** warms up the bed optimally. The **extra-soft fleece** makes it cuddly and skin-friendly. The rubber bands at all 4 corners of the blanket allow the attachment to the mattress.

The warming underblanket has a user-friendly control. It warms up the bed in a few minutes and **switches off automatically after 3 hours**. It has 3 temperature levels and is equipped with an over-heating protection. The removable control unit and cable make it easy to wash the heated blanket.
