FACT SHEET : BILLY - Heating blanket

The cosy warming dispenser - for heat supply for humans and animals! Protect yourself from the cold, warm up at the office desk, on the sofa or in your bed. Improve your blood circulation and metabolism with the **BILLY heating blanket**. Due to the **very soft fleece**, the heated blanket is particularly cuddly and kind to the skin.

The heating blanket has a user-friendly control and **switches off automatically after 3 hours**. It has 3 temperature levels and is equipped with overheating protection.

Because the control unit and the cable can be removed, the electric blanket can be washed easily.
