FACTSHEET: HYLDE - ELECTRIC FIREPLACES

Enjoy your free evenings in the cosy atmosphere of a wood fire. The LED colours can be set as desired and there are two heat settings for optimum warmth. Let yourself be enchanted by the look of the electric fireplaces!

Wonderful warmth - just like a natural wood fire, paired with the latest technology. The overheating and power failure protection ensures the necessary safety. The HYLDE electric fireplace can also be operated without heating.

Holder for remote control
