ELEGANCE SPIEGEL 300

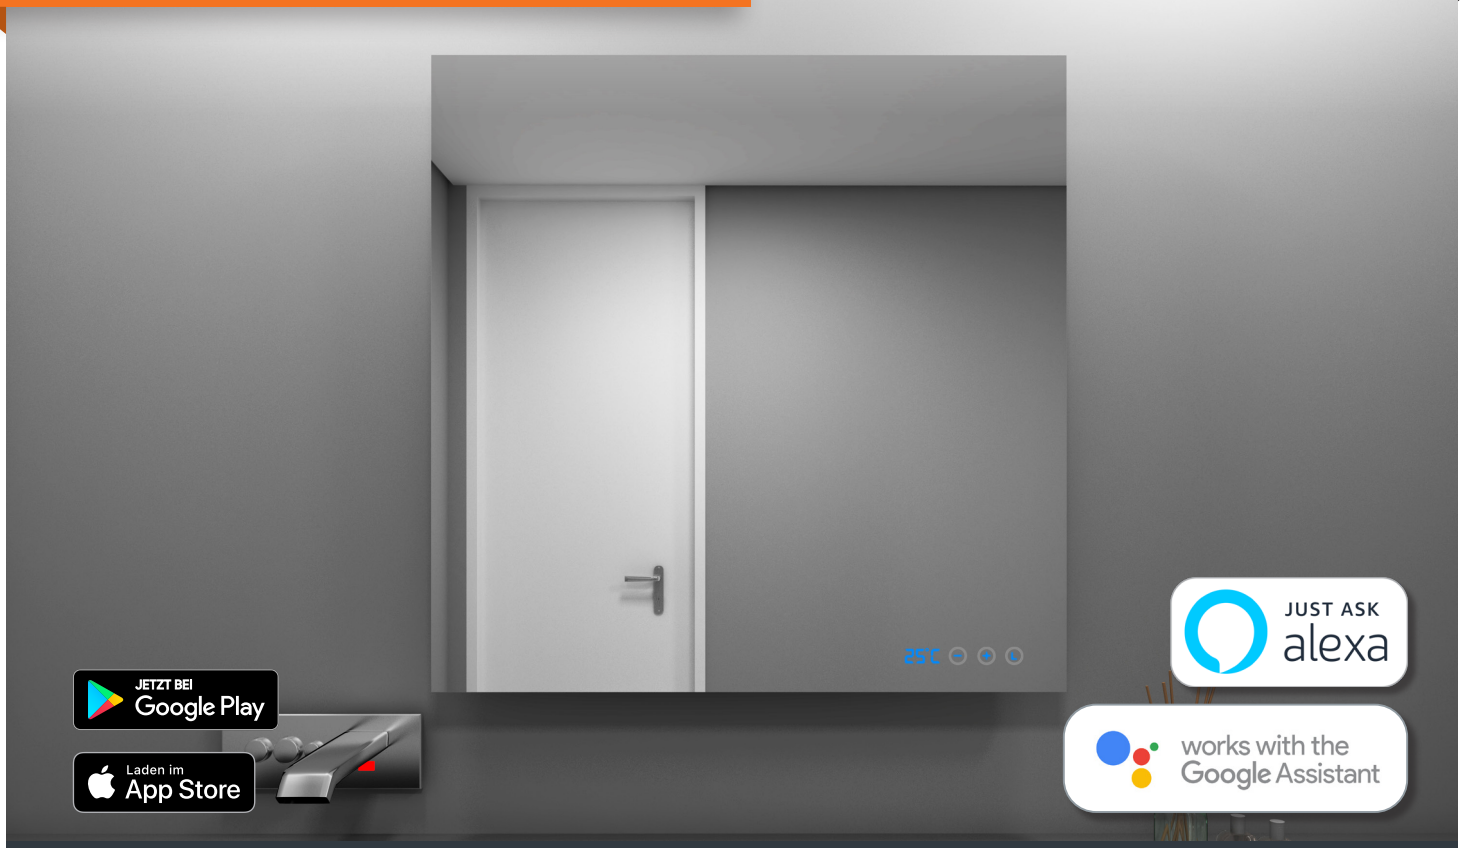

INFRARED HEATING PANELS

WITH WIFI

ROOMSIZE
ca. 6 M² / 14 M³

24 H TIMER

No more foggy mirrors thanks to the innovative infrared heating technology. Warm up your bathroom perfectly with the mirror glass heating panel. Thanks to the smart control, you can control the device from anywhere with your smartphone and even activate it via voice control with Amazon Alexa or Google Assistant. The infrared heating panels from Sonnenkönig are not only very energy effi cient, but also have many new functions. The heating panels distribute the heat silently throughout the room via invisible infrared rays. Saving energy has never been easier!
