GARDEN FLAME

WÄRMEPILZ RATTAN

FACT SHEET : WÄRMEPILZ RATTAN - Garden flame

The **WÄRMEPILZ RATTAN** serves beside its function as outside heating also as a source of light and provides a comfortable ambience **on the balcony**, **the terrace or in the garden**. With the **noble rattan covering** our garden flame makes a good impression everywhere. Enjoy evenings together with this unique heating and light source.

The outside heating is gas powered and has an **electric ignition**. The radiator is warmed up within seconds and is independent of a power supply. Thanks to the **protective grid and the safety flame extinguishing device**, the **WÄRME-PILZ RATTAN** is very safe.
