CLEANING

DEFICUBE

FACT SHEET : DEFICUBE - Cleaning

DEFICUBE is the small and practical helper to **disinfect your hands at any time.** The handy cleaner fits everywhere, **can be recharged via USB** and is very easy to use. Once charged, **DEFICUBE** only needs to be filled with a disinfectant of your choice and is ready to use immediately.

DEFICUBE is equipped with **infrared sensors** and detects your hands as soon as you hold them over the device. A **controlled burst of disinfectant is then nebulized and evenly distributed over your hands.**

Regular disinfection not only prevents bacteria that cause intestinal and skin infections, but also flu viruses of the SARS family.

TECHNICAL DETAILS

- Battery capacity: 1800 mAh
- Standby time: 150 h
- Color: white, transparent
- Dimensions: 7.5 x 5.5 x 9 cm
- Weight: 0.15 kg
- Warranty: 2 years

TECHNICAL SPECIFICATIONS

- Ready for use in a short time
- Ultrasonic nebulizer
- Infrared sensor: max. distance 12 cm
- Disinfection tank: 40 ml
- Humidification capacity: 40-60 ml/h
- Including USB type C cable
- Effective and easy to use
- Space and power saving
- Disinfectant not included in delivery.
