BEE
CERAMIC

The small and powerful BEE ceramic fan heater is ideal for any room thanks to its elegant design and handy and practical handling. Highest safety not only due to overheating protection and tilt protection but also due to three flexible silicone feet for a stable hold on various surfaces.

Enjoy the warmth to go! The BEE has a removable hand warmer that can store its maximum heat of 55° C for 60 minutes. The fan is hot and ready to use in seconds and switches off automatically after four hours.
