BLACK 12
TABLE FAN

The elegant BLACK 12" table fan in modern silver-black design fits in well with any interior design. Transparent ASP fan blades provide you with fresh air in your home or at your workplace. The handy rotation knob allows you to switch between three fan speeds.

The fan distributes fresh air effectively thanks to the horizontal oscillation. Pressing the button causes the unit to swivel automatically back and forth from left to right. The vertical angle of the fan can also be set manually. The fan is quiet and can be used in any room.

QUIET RUNNING 45 dB

3 VENTILATION STAGES

2080 m³/h
