CALION

INFRARED LAMP

REMOTE CONTROL

9 HEAT LEVEL

IP 65

The **CALION** combines modern design, intelligent control, and efficient heat in one device. Whether mounted on the wall or ceiling, the elegant infrared heater in its black aluminum housing blends harmoniously into any environment.
With 9 heat settings and simple operation including WiFi, you have full control over your indoor climate. The integrated 24-hour timer ensures comfortable, time-controlled heating – exactly according to your needs.
The IP65 protection class offers reliable protection against dust and splash water, while the overheating protection ensures maximum safety.
