CERAMICO HELSINKI

CERAMIC HEATER

LED DISPLAY

2 HEATING LEVELS

2 HOUR TIMER

With its elegant, slim wooden design and handy and practical handling, **Ceramico Helsinki** is ideal for any room that needs to be heated for a short time. It can be easily transported with the integrated handle. The device is equipped with an overheating protection and child safety lock and is operated with a simple touch or remote control. The heat output can be programmed in two power levels HI/LOW and up to **7 hours**. The ceramic heater is equipped with an LED display and **motion sensor**. The dust filter is removable, can be cleaned and reused.
