CUBY silver

CERAMIC HEATER

EXPRESS HEAT

CARRYING HANDLE

QUIET

The small, compact fan heater in cube format. High heating power in a trendy design, at the same time economical and efficient, thanks to patented ceramic technology. Ideal for the transitional period and in between. The advantages of the ceramic heating element are a high load capacity and a long service life. You have an immediate heat output, as you do not need a start-up time, like traditional fan heaters. They have a very high thermal efficiency and can be exposed to very high temperatures.

Full heating power with less power consumption. Heat your rooms in an energy-conscious way. You can save up to 20% energy with the **CUBY** line! Safe and trouble-free operation, 78% more power than conventional radiator systems.

TECHNICAL DETAILS

- Power: 1500 W
- Color: silver
- Dimensions: 18 x 19 x 18 cm
- Weight: 1.6 kg
- Warranty: 2 years
- Art.-Nr.: 20100161

7 640110 923337

TECHNICAL SPECIFICATIONS

- 2 heat levels
- 1 level of ventilation
- Trendy and young design
- Ceramic element
- Thermostat
- Rollover protection
- Overheating protection
- This product is suitable only for well-insulated rooms or for occasional use.
