EMMY
HEATING BLANKET

The cozy heat provider – for warming both humans and pets! Protect yourself from the cold and warm up at your desk, on the sofa, or in bed. Improve circulation and metabolism with the EMMY heated blanket. Thanks to the very soft rabbit fur fleece, the blanket is particularly snuggly and gentle on the skin.
The heated blanket features a user-friendly controller and can be set to automatically turn off after 1–9 hours. It has 9 temperature levels and is equipped with overheating protection. Since the controller and cord are detachable, the blanket can be easily cleaned in the washing machine.
