ELEGANCE SCHIEFER

INFRARED HEATING PANELS

WITH WIFI

80 - 90° C

24 H TIMER

Never again too cold temperatures in your bathroom - thanks to the innovative infrared heating technology. Warm your bathroom in a very practical way: via smart control, you can control the device from anywhere with your smartphone and even activate it via voice control with Amazon Alexa or Google Assistant. The infrared heating panels from SONNENKÖNIG are not only very energy-efficient, but also have many functions. The heating panels distribute the heat silently throughout the room via invisible infrared rays. Saving energy has never been easier!
