FIAMMA

PATIO HEATER

IP 24 SPLASHWATER PROTECTION

LED LIGHTING

Express EXPRESS HEAT

The **FIAMMA** patio heater for the ceiling heats energy-efficiently with a carbon heating element. The infrared radiation is distributed regularly and warms up the whole environment. With the built-in LED light you can additionally illuminate your dining table or lounge with warm light. **FIAMMA** is with IP-24 splash water protection very suitable for outdoor use.

Thanks to the remote control you can easily operate the patio heater and with the built-in overheating protection we offer you the best safety. The elegant lampshade is heat resistant and water repellent.
