SONNENKÖNIG OF SWITZERLAND

FACTSHEET : cONQUER - Infrared sauna

Enjoy the luxury of this infrared sauna at home. It has space for up to two people and features a beautiful and eye-catching design. Treat yourself to a luxurious private sauna experience and reap the health benefits too: detox, weight-loss, relaxation, pain-relief and blood pressure reduction. One of the advantages of the infrared sauna is the deep heat it produces, which precisely regulates energy release, attuned to the body's energy. It is not only the outer layer of skin that is warmed, as with traditional hot-air saunas – you sweat from deep inside. Incidentally, this also has an amazing purifying and detoxing effect and is an excellent treatment for muscle pains and tensions.
