SONNENKÖNIG OF SWITZERLAND

FACTSHEET: DAISY - Heating pad

The pleasant warmth dispenser – close-**fitting heat supply for people and animals.** Keep the cold at bay: stay warm at your desk, on the sofa or in bed. Improve blood circulation, metabolism and wellbeing with this amazing cushion. The ultra-soft velour makes this heat cushion breathable, cosy and gentle on the skin. It offers a comfortable, **snug fit thanks to its body-shape design.** It can be used as heat therapy to relieve pain. The water inside the cushion does not have to be changed and **there is no risk of burning.**

It takes around **10–15 minutes** to warm up, at which point the red LED light switches off. Up to **6 hours** of mobile heat without a power socket – be mobile, be free! The automatic control function switches the heat cushion off automatically when the heat transfer fluid is warm.

Technical informations
