FACTSHEET : DIVA - Humidifier

This modern humidifier is perfect for any apartment. Its extravagant design comes in 3 sizes that can be adapted to any surroundings. The combination of elegance and modern air humidification technology adds a wonderful touch to any space and can be used as a beautiful decorative vase in summer.

Through the exchangeable nozzles, which are available in three sizes, the Diva ultrasonic cold nebuliser sprays a refreshing breeze through your living space. It operates quietly, almost noiselessly, so you can place it anywhere, any time without problems. The DIVA is easy to use thanks to the handy remote control.
