SONNENKÖNIG OF SWITZERLAND

FACTSHEET : IGLU - Pavillon

Innovative – Modern – shapely

The sonnenkönig iglu gives your spa a roof over your head.
Whether it is rainy weather or strong sunshine our iglu protects you in any weather and looks really good. At the same time, you can also improve the insulation of your spa. The sonnenkönig iglu is made of durable material, the polycarbonate is transparent and coated to protect against UV rays. The frame is made of powder-coated aluminum. The opening is steplessly adjustable between 180 and 360 degrees. The moving part runs on rollers accordingly, no rail is necessary on the ground. The two parts are fixedly connected via a central axis. The sonnenkönig iglu can be installed very easily at your home.
