JOVA

SONNENKÖNIG OF SWITZERLAND

FACTSHEET : JOVA - Table fan

Pamper yourself with the Jova. Bring a fresh breeze to your stuffy office, conservatory or living room, or enjoy fresh air at night with the sleep mode. The adjustable **speed settings and tilting angle** allow you to achieve an optimal air distribution **as quiet as a whisper**. With cutting-edge technology and a power consumption between 2 and 24 watts per hour, Jova **is a clear winner in eco tests!** Thanks to its reversible air outlet, the fan can be used at any time of year. In **summer**, the air can be turned upwards, expelling air for a cool, fresh feeling. In **winter**, it produces a pleasant warmth in the whole room by drawing the rising warm air back down.
Thanks to the 3D oscillation, the fan distributes the fresh air in an optimal way. Pressing the control unit automatically swings the unit from left to right and from top to bottom.

Technical information

- Power: 2 - 24 W
- Motor: DC 12 V / DC 24 V
- Weight: 2.2 Kg
- Color: white
- Certified: CE
- Guarantee: 2 years

Specifications

- 3 Modes: Normal / Natural / Sleep
- 8 ventilation levels
- Max speed: 6.5 m/s
- Max air circulation: 2100 m³/h
- Rpm: 1700
- Horizontal and vertical auto swing till 90°
- Timer: 7 h, light therapy
- Noise: 20 dB (min.), 45 dB (max.)
- Transparent blades, remote control
- Touch control panel
- Perceptible air until 4 meters
