SONNENKÖNIG OF SWITZERLAND

FACTSHEET : PIC 41 - Mosquito killer

No more annoying insects! The insects are drawn to the **UV light** and killed **without the use of chemical additives.** The insect killer can either be set to stand **on the ground or hung from above.** The insects are collected in the special container, which is easy to empty.

The insect killer works **without chemicals,** is **completely safe,** and can either be placed to stand on the ground or hung from above. The device is small and compact. It is also eco-friendly and boasts **very low power consumption.** Insects are drawn by a **UV light** and then killed inside the unit.
