SONNENKÖNIG OF SWITZERLAND

FACTSHEET : PIC MINI - Mosquito killer

Relax in **insect-free** rooms! The handy and very practical PIC MINI insect killer is simply plugged into the **socket** and works **without using chemicals.** The PIC MINI is available in three modern colours: turquoise, red or blue. The insect killer is suitable for use in **children's rooms, bedrooms, offices, living rooms** and caravans, and can also be used as a **night light.** The insect killer is **safe for humans and animals.**

The insect killer works **without using chemicals,** is **completely safe** and is simply plugged into the **socket.** There are no annoying cables and the device is small and compact. It is also **eco-friendly** and boasts very **low power consumption.** The insects are drawn by an LED light and then killed inside the unit. The PIC MINI is suitable for rooms up to **25 m².** The average life of the LED light is **50.000 hours.**
