FACTSHEET : SECCO 12 W - Dehumidifier

Too much moisture in your home can have a negative effect on indoor climatic balance and your health. The Secco 12 is **the perfect solution for moisture and build-up of damp**. It represents the next generation of quiet, easy-to-use room dehumidifiers. The Secco 12 is easy to clean thanks to the **removable air filter**. With the handy carrying handle, you can move the dehumidifier from room to room easily. Its timeless, **modern design** fits in perfectly in any room.

The Secco 12 is suitable for heated rooms up to 15m² and removes **12 litres of water** in 24 hours. The in-built electronic hygrostat automatically regulates the moisture in the room. The removable tank is fitted with an overflow safety system. The ventilator does not switch off when the dehumidification level is reduced. The device also has a **direct drain** option.

Technical informations
