SONNENKÖNIG OF SWITZERLAND

FACTSHEET : SECCO 230 - Tumble dryer

Dry your washing gently as in the open air! This powerful, energy-efficient clothes dryer is wall-mounted and is therefore never in the way. The unit is simple and easy to use. Three different drying programmes can be selected.

The moist air sucked in by the fan into the fluff filter and the condenser is eliminated as condensation and passed on directly into the drainage system. The moist air is warmed up again and blown back into the room. Drying time depends on the room and air conditions. Our figures were measured at 20°C/80% RH.

Technical informations

- Power: 569 W
- Color: white
- Certified: CE
- Guarantee: 2 years

Specifications

- Highly productive
- 3 programs available
- Wall mounting, direct drainage
- Anti-vibration device
