FACTSHEET : SECCO 300 - Dehumidifier

Too much moisture in your home can have a negative effect on indoor climatic balance and on your health. The Secco 300 is **the perfect solution for moisture and build-up of damp**. It represents the next generation of quiet, easy-to-use room dehumidifiers. The Secco Casa 300 is easy to clean thanks to the **removable air filter**. Its timeless, modern design is perfect for any space.

The Secco 300 is suitable for heated rooms up to 120 m³ and removes 30 litres of water in 24 hours. The unit switches itself off automatically when the water tank has reached its maximum capacity. The **removable tank** is fitted with an overflow safety system.
