## FACTSHEET : SECCO 400 - Dehumidifier

Too much moisture in your home can have a negative effect on indoor climatic balance and on your health. The Secco 400 is **the perfect solution for moisture and build-up of damp**. It represents the next generation of quiet, easy-to-use room dehumidifiers. The Secco Casa 400 is easy to clean thanks to the **removable air filter**. Its timeless, modern design is perfect for any space.

The Secco 400 is suitable for heated rooms up to 160 m³ and removes 40 litres of water in 24 hours. The unit switches itself off automatically when the water tank has reached its maximum capacity. The **removable tank** is fitted with an overflow safety system.
