VENTUS 150

1100 m³/h

15 000 W

47 x 53 x 42 cm

16.4 kg

SONNENKÖNIG OF SWITZERLAND

FACTSHEET : VENTUS 150 - Heater blower

The VENTUS 150 is particularly well-suited for use in **workshops** or **large spaces.** The power setting can be adjusted and there are **two heating levels.** The thermostat switches the device on as soon as the ambient temperature falls below a pre-set value. The function heater is **used as a standing model.**

The function heater is very compact, and has two heating levels, four blower levels and a thermostat. Thanks to its **frost protection** and **overheat prevention** functions, the device is extremely safe – if it ever becomes too hot, the heater switches off immediately. Particularly suitable for heating **workshops, garages** and other **large spaces.**
