LENNY

HEATING BLANKET

The cozy heat provider – for supplying warmth to humans and animals! Protect yourself from the cold, warm up at your desk, on the sofa, or in your bed. Improve your blood circulation and metabolism with the LENNY heated blanket. Thanks to the very soft fleece, the heated blanket is particularly comfortable and skin-friendly.

The heated blanket has a user-friendly control and automatically shuts off after 3 hours. It has 9 temperature levels and is equipped with overheating protection. With the removable control and cable, the heated blanket can be easily cleaned in the washing machine.
