METAL BLACK 12

TABLE FAN

The elegant METAL BLACK 12" in a modern design fits into any room. Noble ventilation blades quietly provide fresh air at your workplace or in your living room. Thanks to the handy rotary knob, the fan can be regulated in three speed levels.

Thanks to the horizontal oscillation, the fan distributes the fresh air optimally. By pressing the button, the device swivels sideways and automatically from left to right. In addition, the vertical angle of the fan can be adjusted manually.
