MYROS

CERAMIC HEATER

Never feel cold again: with 1500 watts of heating power, the MYROS fan heater quickly provides cozy warmth. The integrated fan with oscillation distributes warm air evenly throughout the room. Three modes – including a cooling function – allow for personalized temperature settings. With a modern LED display and intuitive buttons, you can quickly set your desired temperature – for instant comfort at the touch of a button. Tip-over protection and overheat protection ensure safe use. Thanks to the carry handle, the device is easy to transport and store.
