PIC 10
MOSQUITO KILLER

Declare war on annoying mosquitoes and flying insects with our powerful electric fly swatter. With an output voltage of 2700V, it eliminates insects in no time at all. The high-capacity battery ensures long operating times, while the integrated circuit breaker provides additional safety. The innovative design, which resembles a tennis racket, makes handling easy and efficient. The light automatically attracts the mosquito. Over 90% effectiveness guarantees reliable control. Experience undisturbed moments without annoying disturbances!
