SECCO PICCOLO

DEHUMIDIFIER

Too much moisture in your home can have a negative effect on indoor climatic balance and your health. The SECCO PICCOLO is an ideal solution for humidity in small spaces that are difficult to air, for example walk-in wardrobes, pantries and bathrooms.

The SECCO PICCOLO is an economical electro-thermic device that can dehumidify a volume of up to 220 ml/day. The unit switches itself off automatically when the water tank has reached its maximum capacity. It operates noiselessly and with very little vibration because it does not use a compressor motor.

SMOOTH RUNNING < 35 dB

AUTO OFF

220 ml / 24 H

TECHNICAL DETAILS

- Power 22 W
- Color: white, green / orange
- Dimensions: 15 x 21 x 13 cm
- Weight: 1.8 kg
- Warranty: 2 years

green 7 640110 924945

orange 7 640110 924938

TECHNICAL SPECIFICATIONS

- Dehumidification: 220 ml/day
- Temperature/humidity 30° C / 80° C
- Service temperature: 16 – 35° C
- Smooth below to 35 dB
- Size of the room till 25 m³
- Water tank: 0.5 liters
- Automatic switch off
