SLIM E 2000
CONVECTOR

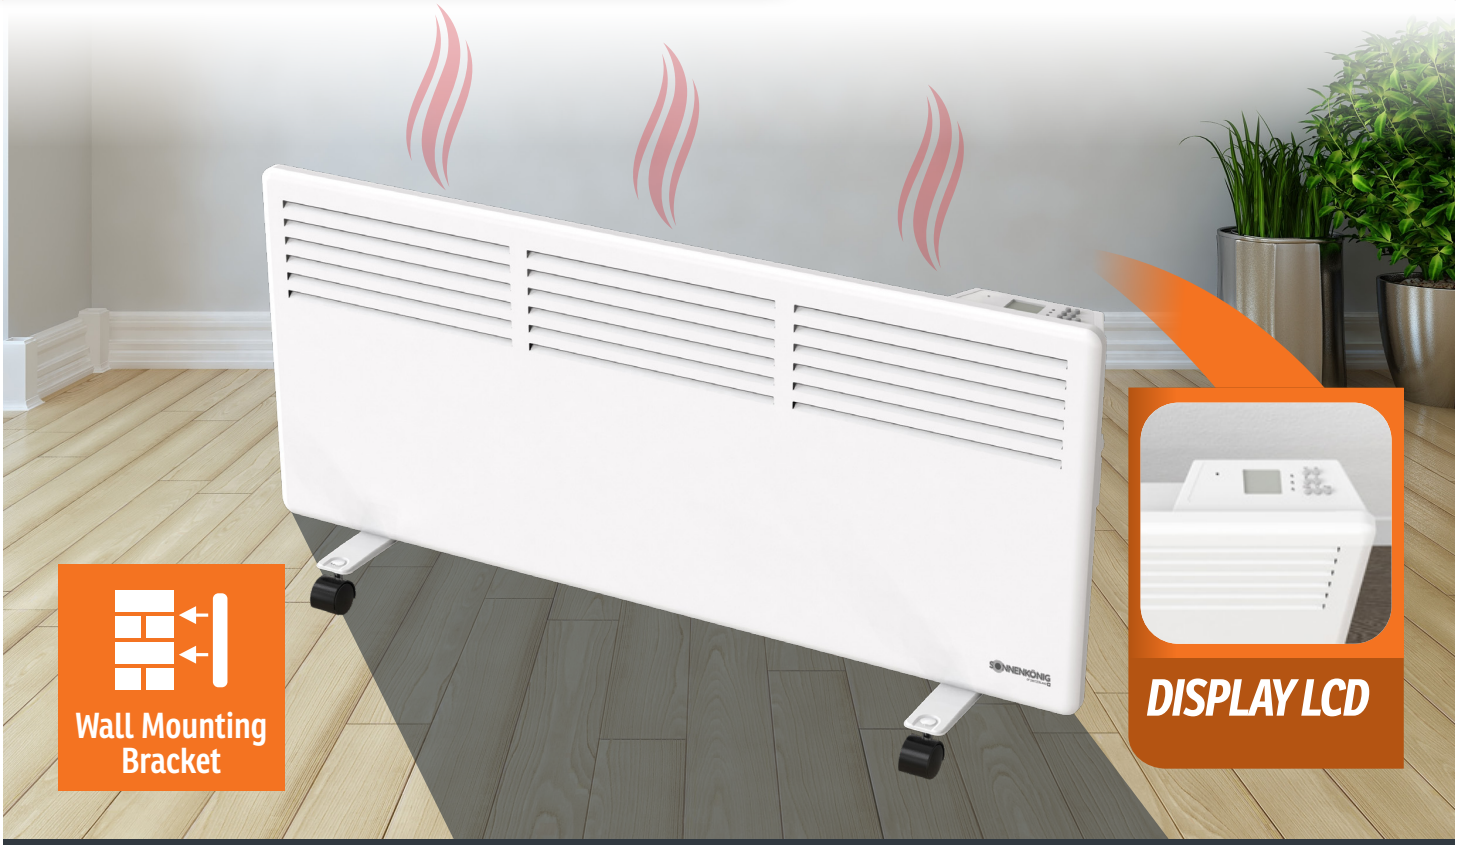

Thanks to the ultra-flat structure, **SLIM** convectors are particularly suitable for wall mounting. They have three heating levels and optimally distribute heat in the room. The heaters are packed in a metal housing and are equipped with aluminum heating elements.

They can be easily mounted on the wall, which makes them very space-saving. The heater works very quietly and has an overheating protection.

IP24 SPLASH WATER PROTECTION

LOW NOISE

24 H / WEEK TIMER

TECHNICAL DETAILS

- Power 2000 W
- Color: white
- Dimensions: 94 x 40 x 8.5 cm
- Weight: 7.9 kg
