SOLE

PATIO HEATER

Ceiling heating lamp with infrared halogen technology is ideal for balconies, terraces or garden seating areas. The halogen heating element provides pleasant heat in seconds. The heating lamp can be conveniently switched on and off via the pull switch and thanks to the splash water protection and the protective grid, optimum safety is provided.

Due to the splash water protection, the device can also be put into operation in humid environments. **SOLE** serves both as an elegant light and heat dispenser.
