# WENGEN
## DEHUMIDIFIER

With the intelligent air purifier WENGEN you can increase your well-being within your own four walls in no time at all. The Powerful Air Purifier offers 3-fold filtration with a coarse, dust and H13 HEPA filter. The current air quality can be read at any time by means of a colour indicator. WENGEN also convinces with its quiet operation and low power consumption.

The powerful air purifier is characterized by its sophisticated technology. WENGEN uses a HEPA filter to effectively clean your air.
